

Principal Profile

Principal Name: Wisconsin Fertilizer & Chemical Association

Business Or Interest: Educate and promote safe, profitable and environmentally responsible development, manufacture, distribution, storage, sale and use of agricultural inputs and services.

Lobbying Interests: Our primary interest lies in agriculture, air, land, water quality, etc. as they relate to fertilizer and agricultural chemical use. However the majority of our members operate retail businesses and as such are interested in worker and employment related issues, transportation and other small business issues. We work for a favorable business climate for our members and their customers to operate their farms and businesses in.
